My name is Johnny Hilton-Bay. I am writing the United State Patent and Trade Mark Office Refund Department about a refund to me. The refund is for the Bolted Door Knob and the Intruder Monitor System. The Bolted Door Knob application number is 09/850,568 and the Intruder Monitor System application number is 10/078,333. I also would like to know if their was a patent granted to someone for these two ideas. The reason is I plan to precede with this matter at a later date. I also would like to have a copy why I was denied a patent for my ideas along with my refund.

Thank You,
Johnny Hilton-Bay
